Essay

Please write an essay describing why you want to join our Yeshiva. Feel free to include some of your accomplishments. What are your goals, both religiously and academically?

1	Essay	I was excited to hear of a Yeshivah that offers Jewish studies as well as courses like computers and electronics. It is my dream to create a business where we

		develop video games, films, and tech products, and I hope that by joining JETS, I will be able to accomplish that dream as well as improve on my Hebrew and strengthen my connection with Hashem. Friends who know of my interests and know how much I strive to follow the ways of Yiddishkeit have recommended me JETS and have told me many greats things about the Yeshivah and what students were able to accomplish attending the provided courses.
